The background of the image is a dark gray or black topographic map. It features numerous white contour lines that form irregular, wavy shapes across the entire frame, representing elevation changes. The lines are more densely packed in some areas and more spread out in others, creating a complex, organic pattern.

YUNIOR MENDEZ

Graphic Designer | Photographer | Videographer

ABOUT ME

A professional content creator based out of Miami, I specialize in developing impactful digital strategies and high-quality content designed to help businesses grow and thrive.

I've been working for the past few years honing my skills in various principles of design. My current skill set offers graphic design, photography, video production, UI, and social media management expertise, ensuring that each project aligns with your brand's vision and enhances customer outreach.

GRAPHICS

■ Brand Identity & Logo Design

Creating unique and memorable logos and brand elements.

■ Social Media Graphics

Custom visuals for posts, stories, and ads.

■ Marketing Materials

Flyers, brochures, business cards, posters, and advertisements.

■ UI Design Mockups

Website and app interface designs for a polished visual experience.

High-quality graphic design builds trust, strengthens branding, and improves customer engagement across digital and print platforms.

WEBSITES

Custom Website Design

Clean, modern, and responsive designs tailored to your brand.

Landing Pages

High-converting pages optimized for marketing campaigns.

Portfolio & Business Websites

Showcasing work, services, and company information.

E-commerce Websites

Online stores with seamless product browsing and checkout.

Website Maintenance

Monthly updates, content changes, and security checks.

A well-designed website increases visibility, strengthens brand identity, and improves user experience, leading to higher engagement and conversions.

PHOTOS

Brand & Business Photography

Professional photos for marketing, websites, and social media.

Event Photography

Capturing key moments at corporate, social, and private events.

Product Photography

High-resolution images showcasing products for e-commerce and advertising.

Portraits & Headshots

Personal branding, corporate, and creative portraits.

Professional photography boosts credibility, strengthens marketing efforts, and creates a strong visual identity, making businesses and individuals stand out.

VIDEOS

Brand & Promotional Videos

Engaging content to showcase your brand, products, or services.

Social Media Videos

Short-form content optimized for Instagram, TikTok, and YouTube.

Event Videography

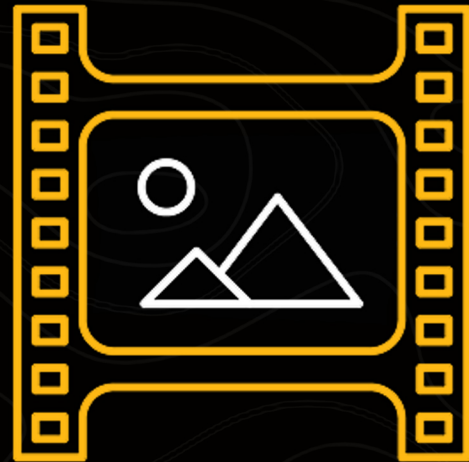

Capturing key moments with high-quality footage.

Interviews & Testimonials

Professional recordings that enhance credibility and trust.

Cinematic & Creative Edits

High-end visuals with smooth transitions, effects, and storytelling.

Video increases audience engagement, boosts conversions, and enhances brand visibility across digital platforms.
